

# COCA-COLA BAKED BEANS

RECIPE:

INGREDIENTS:

- (2) 16 oz. cans of original baked beans
- (1) sm/md onion, finely chopped
- (1/3 cup) brown sugar
- (1) tbsp prepared mustard
- (1) (scant) tbsp vinegar (apple cider vinegar works well)
- dash of worcestershire sauce
- (1/2) can of Coca-Cola
- salt and pepper to taste

NOTES:

Mix well. Place bacon strips on top (if desired). Bake uncovered until onion is tender, at least 1 hour, at 375°F.

\*Cola flavor is not overwhelming but feel free to leave out for a regular baked beans recipe.
